

Dr. Sandeep Bafna

Senior Consultant – Urology & Andrology
Apollo Hospitals, Chennai

About Dr. Sandeep Bafna

Dr. Sandeep Bafna is a leading Urologist and Andrologist with extensive experience in managing complex and routine urological conditions. A trusted name in Chennai's healthcare ecosystem, he has performed numerous successful procedures, combining advanced surgical skills with a patient-first philosophy.

His expertise spans the full spectrum of urology - from minimally invasive endoscopic procedures to advanced robotic surgeries and complex reconstructive work. He is particularly known for his proficiency in treating challenging cases that require precision, innovation, and compassionate care.

Dr. Bafna's patients value him not just for his technical excellence, but also for his ability to listen, explain clearly, and reassure with confidence. His mission is to provide care that is safe, effective, and tailored to each patient's unique needs, thereby building long-lasting trust with individuals and families.

Why Choose Dr. Sandeep Bafna?

- Senior Consultant with over 10 years of experience in Urology & Andrology
- Skilled in advanced robotic, laparoscopic, and minimally invasive surgeries
- Experienced in managing complex and high-risk cases with successful outcomes
- Compassionate and approachable — patients feel heard, informed, and cared for
- Evidence-based treatments aligned with international best practices
- Trusted consultant at Apollo Hospitals, Chennai

- Robotic & Advanced Surgeries – robotic prostatectomy, robotic kidney surgery, laparoscopic urological surgeries

Approach to Patient Care

Dr. Bafna believes that medical excellence must go hand in hand with empathy. He takes time to understand each patient's history, answer questions thoroughly, and explain treatment options in simple terms.

His approach ensures that patients and families are active participants in their care journey, with complete clarity and confidence at every step. From diagnosis to advanced surgical management, his goal is to create a reassuring environment where patients feel supported, informed, and cared for.

Every decision is guided by the principles of safety, compassion, and long-term well-being — making his practice not just about treating illness, but about improving quality of life.

Every patient deserves not just treatment, but the assurance of being in safe hands. Dr. Sandeep Bafna combines advanced medical knowledge with genuine empathy, giving patients the comfort of knowing that their health and well-being are always his top priority.
